## **Ricky Wang Joins Brake Parts Inc as Sales Vice President and General Manager, China**

**MCHEMRY, III. – August 25, 2015** – Ricky Wang has joined Brake Parts Inc (BPI) as sales vice president and general manager, China, it was announced today by David Overbeeke, president and CEO.

“We are pleased to have Ricky on board as our new sales vice president and general manager of BPI China,” said Overbeeke. “With over 19 years of experience in the automotive industry, Ricky brings a rich background in industrial sales, marketing and general management to his new position where he will be responsible for expanding our business in the Asia Pacific region.”

Most recently, Wang served as the vice president and general manager of East Lake New Energy Automobile Corporation in China where he was responsible for its specialty vehicle business. Prior to that, he held several key roles with multinational automotive companies, including director of aftermarket and trailer for ArvinMeritor, China and director of sales and marketing for Goodyear Engineered Products, Asia Pacific. Wang also previously served as the international sales and marketing manager for Sensus Precision Die Casting Inc. in Russellville, Ky.

Wang holds an MBA from the University of Notre Dame in South Bend, Ind. and a bachelor’s degree in industrial engineering from University of Science & Technology Beijing.

### **About Brake Parts Inc**

Brake Parts Inc (BPI) is committed to leading the global automotive aftermarket as the premier manufacturer and supplier of brake system components. The company’s primary focus is the growth and profitability of its customers through a collaborative platform of quality, innovation, dedication and integrity. BPI has a demonstrated commitment to research, development and testing of its entire product offering, including friction, rotors, drums, calipers and hydraulic products, ensuring that they meet or exceed original equipment fit, form and function requirements.
