## **Brake Parts Inc and Remy Raise \$25,000 for the American Red Cross Hurricane Relief Efforts**

**MCHEMRY, III. – Sept. 28, 2017** – In the aftermath of the recent devastating hurricanes, employees of Brake Parts Inc (BPI) and Remy Power Products across the U.S. raised money for the American Red Cross and with a contribution from BPI, donated \$25,000 to help with the hurricane relief efforts.

“I’m so proud of the way that the BPI and Remy employees saw a need and then came together to generously donate to the American Red Cross to help the tens of thousands of people who have been displaced and have lost their homes and belongings to the recent hurricanes,” said David Overbeeke, president and CEO of Brake Parts Inc. “We have a strong history of supporting those in need, whether it be in our community or across the country, and this donation campaign is just another example of the generous spirit of our people.”

For two weeks, employees donated to the campaign and BPI matched the donation to the American Red Cross. The mission of the American Red Cross ([www.redcross.org](http://www.redcross.org)) is to provide compassionate care and disaster relief to those in need.

### **About Brake Parts Inc**

Brake Parts Inc (BPI) is committed to leading the global automotive aftermarket as the premier manufacturer and supplier of brake system components. The company’s primary focus is the growth and profitability of its customers through a collaborative platform of quality, innovation, dedication and integrity. BPI has a demonstrated commitment to research, development and testing of its entire product offering, including friction, rotors, drums, calipers and hydraulic products, ensuring that they meet or exceed original equipment fit, form and function requirements. For more information, visit [www.brakepartsinc.com](http://www.brakepartsinc.com).

### **About Remy Power Products**

Remy Power Products brings a century of OE experience to the automotive aftermarket, delivering industry-leading starter and alternator coverage for domestic and import passenger vehicles and light-duty trucks. Automotive service professionals trust Remy for benchmark-quality rotating electrics, responsive support and world-class technical training. Maval Industries, LLC, a Remy brand, is a world leader of both new and remanufactured steering system components for the automotive, off-road, performance and specialty vehicle markets. For more information, visit [www.remyautoparts.com](http://www.remyautoparts.com).
