## Win a Limited-Edition Raybestos 1953 Chevy Pickup T-Shirt

*Enter on Facebook for Your Chance to Win with an Added Bonus*

**MCHEMRY, III. – Feb. 8, 2019** – Looking to add a cool t-shirt to your collection? Raybestos® is giving away 50 limited edition Raybestos 1953 Chevy pickup t-shirts now through April 18, 2019, according to Kristin Grons, marketing manager, Brake Parts Inc.

Each week for 10 weeks, Raybestos will announce five randomly selected winners of a free XL t-shirt featuring the iconic '53 Raybestos Chevy on its Facebook page. To enter for a chance to win one of the t-shirts, visit [www.facebook.com/RaybestosBrandBrakes](http://www.facebook.com/RaybestosBrandBrakes) and click on the t-shirt contest tab.

As an added bonus, all Raybestos t-shirt winners will be entered to win one of five commemorative tin tacker signs autographed by renowned builder Jeff Schwartz, owner of Schwartz Performance. Winners of these collectors' items will be announced following the conclusion of the 10 week contest.

"Restoring and updating 1953 Raybestos Chevy pickup was such a hit with customers and auto enthusiasts throughout the country that we decided to run a fun contest to award limited edition t-shirts and tin tacker signs to lucky followers of the build," said Grons. "Don't miss your chance to win a t-shirt that is sure to become a classic."

### **About Raybestos Brakes**

Raybestos® has been known as the best in brakes for over 100 years. With a demonstrated commitment to research, development and testing, Raybestos is widely recognized for quality brake components, including friction, rotors, drums, calipers and hydraulic products. The brand was the first to introduce Enhanced Hybrid Technology (EHT®) with its Element3® brake pads, delivering the best attributes of ceramic and semi-metallic for optimal performance, improved pad wear and durability, and increased stopping power during aggressive braking. Raybestos is the flagship brand of Brake Parts Inc, a global supplier to major auto parts organizations. To learn more, visit [www.raybestos.com](http://www.raybestos.com).
