

Raybestos Expands Product Line by Adding Over 550 New Part Numbers

MCHENRY, III. – December 8, 2015 – Raybestos® recently added more than 550 new part numbers to its line of premium quality brake products that fall within the following categories:

- Hydraulics, Hoses, Cables and Hardware: **234**
- Friction and Calipers: **207**
- Rotors, Drums and Wheel Hubs: **115**

“A complete brake job is more than brake pads and rotors,” said Bruce Tartaglione, senior vice president of global sales and marketing of Brake Parts Inc. “That’s why Raybestos offers a full line of premium quality brake products, from friction, rotors and drums to calipers, master cylinders, hydraulics and more. With coverage for passenger, fleet and specialty vehicles, technicians can rely on Raybestos for all of the parts needed to get the job done right the first time and help grow their business.”

For more information on the complete family of Raybestos brake products, including disc pads and shoes, drums and rotors, master cylinders, wheel cylinders, calipers, hoses and hardware, visit www.RelyOnRaybestos.com.
