Brake Parts Inc Receives NAPA Service Award

MCHEHRY, III. – March 20, 2018 – Brake Parts Inc (BPI) received the NAPA Service Award during the annual NAPA Vendor Summit, held recently in Atlanta, Georgia. Accepting the award for BPI were Joe Parzick, chairman of the board; David Overbeeke, president and CEO; Paul Ferrandino, chief commercial officer; Ron Hoxsey, vice president sales and David Ferretti, director sales.

“We are extremely honored to have received the NAPA Service Award as it is a testament to our commitment to providing NAPA Auto Parts stores and distribution centers with quality products and service that is second to none,” said Overbeeke. “With more than 10,000 SKUs across multiple brake categories, we’re proud to have attained the highest customer fill rate this past year. As we continue to grow our relationship with NAPA, we will remain a dedicated partner, providing top tier performance and consistency that they can rely on.”

“I’d like to thank NAPA for this distinctive recognition as it shows the strength of our relationship with the organization,” said Hoxsey. “We measure quality and our level of service across all product segments and employ continuous improvement initiatives in order to ensure consistently high order turn, order accuracy and damage-free, on-time delivery levels.”

About Brake Parts Inc

Brake Parts Inc (BPI) is committed to leading the global automotive aftermarket as the premier manufacturer and supplier of brake system components, including its respected flagship Raybestos® brand. The company’s primary focus is the growth and profitability of its customers through a collaborative platform of quality, innovation, dedication and integrity. A supplier to major auto parts organizations, BPI has a demonstrated commitment to research, development and testing of its entire product offering, including friction, rotors, drums, calipers and hydraulic products, ensuring that they meet or exceed original equipment fit, form and function requirements.
