Brake Parts Inc Expands Sales Team

MCHEMRY, III. – May 4, 2017 – Brake Parts Inc (BPI) has expanded its sales organization with the addition of Rob Miles as the new national sales manager – commercial vehicles, as well as five new business development managers, according to Brian Kirts, vice president, sales for BPI.

The five business development managers are located throughout the U.S. to best serve the growing Raybestos customer base. They are Bill Bates, Central California; Edwin Borrero, Texas; Trevor Lilovich, Pennsylvania; Nicole Rotell, Midwest; and Jerry Thomas, North Carolina.

“As we continue to grow the Raybestos brand, we are pleased to add new members to our sales team,” said Kirts. “Rob will lead the company’s sales efforts in the medium duty and fleet aftermarket, while our new business development managers are well positioned to increase the focus required in their surrounding territories in order to adapt to the changing needs of our customers.”

About Brake Parts Inc

Brake Parts Inc (BPI) is committed to leading the global automotive aftermarket as the premier manufacturer and supplier of brake system components. The company’s primary focus is the growth and profitability of its customers through a collaborative platform of quality, innovation, dedication and integrity. BPI has a demonstrated commitment to research, development and testing of its entire product offering, including friction, rotors, drums, calipers and hydraulic products, ensuring that they meet or exceed original equipment fit, form and function requirements.
