

## Raybestos Brakes Awards \$1,000 Gift Cards in Spring Brake Giveaway Promotion

**MCHENRY, III. – August 18, 2015** – Three lucky parts professionals are the recipients of a \$1,000 gift card as the grand prize winners of the Raybestos® Spring Brake Giveaway promotion, the company announced today. All participants received a \$50 gift card for every 25 sets of Element3® brake pads sold and became eligible for the grand prize drawing.

The three grand prize winners are:

- **Eastern:** Zachary Hall, Auto Supermarket, Greensburg, Pa.
- **Central:** Ted Beaudry, Brake & Equipment Warehouse, Minneapolis, Minn.
- **Western:** Ricky Brouhard, Automotive Inventory, Simi Valley, Calif.

“We would like to thank all of the parts professionals who participated in the Raybestos Spring Brake Giveaway promotion and congratulate our three \$1,000 gift card grand prize winners,” said Kristin Grons, marketing manager for Brake Parts Inc. “We appreciate all of the support for our Element3 as this promotion was a huge success. The number of entries that we received went well beyond our expectations.”

Element3 brake pads with Enhanced Hybrid Technology (EHT®) are an innovative engineering breakthrough as the world’s first hybrid brake pad to deliver the best attributes of both ceramic and semi-metallic in a single compound. Element3 supports optimal braking performance and control, plus increases stopping power, even under the most aggressive braking conditions. Element3 with EHT is formulated for unsurpassed durability and performance, long life, less noise and reduced dust.
